Issues Resolved: *Critical Element: Federal Funding Accountability and Transparency Act (FFATA) of 2006 Reporting*

Requirement and Citation: The State submitted its FFATA report after the onsite program review.

Issue: During the onsite visit, the Department found that KDE had not yet submitted a FFATA report for the Race to the Top grant due to technical difficulties it was having connecting to the FFATA Sub-award Reporting System (FSRS). After the onsite visit, KDE staff received support from the Department and the FSRS helpdesk and was able to submit its FFATA report. In future program reviews, the Department may request further information and documentation to demonstrate the State’s compliance with the FFATA requirements.
